Capability Statement

Company Overview:

Hire Green, LLC is a Service Disabled Veteran Owned Small Business (SDVOSB) and a California Certified Disabled Veteran Business Enterprise (DVBE). Hire Green began as a California full-cycle recruiting and search company in Spring 2008. Since that time Hire Green has grown into a full service contract services provider with on-demand, direct hire and staffing capabilities. Hire Green works with highly trained, experienced and motivated people to get the job done right, on time, every time.

We have a particular focus on transitioning military personnel, engineers and technical professionals for IT and field positions. Hire Green has the qualified, prescreened candidates prepared to join any project team. Additionally, Hire Green is a small business alliance partner for prime contractors to deliver Tier 2 or subcontract engineering, technical and IT contract services toward contract fulfillment.

Hire Green offers a wide suite of services capitalizing on our strengths; great candidates, leading edge sourcing/communication technologies and dynamic innovative solutions. Our network of disciplined and highly trained military veterans, business managers and leading members of the scientific and engineering fields coupled with our extensive research and recruiting systems allow us to consistently meet or exceed customer needs. We are able to rapidly provide "top graded" personnel to a project, whether as project managers, engineers, cleared IT systems, facilities support, mechanics or electricians, etc. Hire Green has the right people for your current and future project requirements.

Our client list includes: Siemens, MillerCoors, NRG, Kinder Morgan, Intrinergy, Alstom Power, Michael Baker, EMS, ATK, BAE Systems and others.

- Hire Green has partnered with PSC Environmental to provide Environmental/Industrial Remediation services and Hazardous Materials management to commercial and government clients.
